

If you have already sent in your tax statements, you can disregard this reminder.

Surplus Line and Fire Marshal Tax Statements are due to the Illinois Department of Insurance by February 1. **This deadline applies even if you had no activity and owe \$0.**

Please note the following important reminders:

Statements were mailed and emailed to licensees or designated tax statement recipients.

All tax statements must be filed with the Illinois Department of Insurance – not with SLAI.

You must print and mail the completed forms with a physical check.

Electronic copies are available through the [Electronic Filing System \(EFS\)](#) or via the emailed download link (no EFS login required).

When sending in your tax forms and payments, it is advisable to use a service that will provide proof of mailing and proof of delivery.

Mail to:
Illinois Department of Insurance
P.O. Box 7087
Springfield, Illinois 62791

Missing a statement or unsure who received it?

Email membership@slai.org before February 1 so issues can be resolved before penalties apply.
